Buy a Brick & Help Here, Help Now!

Are you searching for that special gift for the family member or friend who appears to have everything? How about a tribute to the birth of a new baby, a memorial to a dear loved one, or a special thank you to a friend or medical professional?

Join us in making a lasting impression with an engraved brick for the courtyard of the Kate Marmion Regional Cancer Care Medical Center. The beautiful public area will become a place to express love and respect and celebrate life.

Uvalde Healthcare Foundation, a 501(c) 3, was created after the close of the "Saving Lives Close to Home" campaign which raised over $5-million to build the Kate Marmion Regional Cancer Medical Center in Uvalde. Your donation will allow UHF to provide door-to-door transportation services and financial assistance to qualifying radiation therapy patients of Clear Springs Center for Cancer Care. Services will be available to qualifying patients from the surrounding counties of Dimmit, Edwards, Kinney, Maverick, Medina, Real, Uvalde, Val Verde, and Zavala.

The price for a 16" x 16" engraved brick with 1" letters and 12 lines of text is $500 and the price to include a logo is $550. Personal checks, Visa, MasterCard, Amex and Discover are also accepted. Please make your check payable to Uvalde Healthcare Foundation.
